

PERSONAL DATA PROTECTION POLICY

Introduction

The company Eutelsat S.A. which markets kconnect's products and services, attaches great importance to the protection of privacy and Personal Data for uses of its Websites and services.

This policy (the "**Policy**") describes Eutelsat's commitment to protecting the Personal Data of internet users (the "**Visitors**") and users of its Services (the "**Subscribers**"). It also provides information on the processes for collecting and using your Personal Data, as well as your rights in this respect.

It may be modified at any moment by Eutelsat S.A., in particular in order to comply with regulatory, legal, editorial and/or technical changes.

Before you use the Website, we recommend you refer to the latest version of the Policy, available on the Website.

Eutelsat complies with European General Data Protection Regulations No. 2016/679 of 27 April 2016, the French Informatique & Libertés data protection legislation N° 78-17 of 6 January 1978, modified, and the French law "pour la confiance dans l'économie numérique" (trust in the digital economy) N° 2004-575 of 21 June 2004 (Article L. 34-5 of the French Postal and Electronic Communications Code).

To this end, Eutelsat has appointed a data protection officer responsible for ensuring the compliance of data processing by Eutelsat or its third-party suppliers and to ensure your rights are exercised.

The Policy should be applied in parallel with the conditions of the [General Terms of Use of the Website](#) and the [Contractual Conditions](#) available on the Website, which also uses the same definitions .

Article 1. Who is responsible for data processing?

Data processing is the responsibility of Eutelsat S.A., a public limited company with capital of 658,555,372.80 euros, and registered on the Paris trade and companies register (RCS) number 422 551 176, and whose registered offices are located at 32, Boulevard Gallieni - 92130 Issy-les-Moulineaux – France.

Article 2. What Personal Data are collected by Eutelsat S.A.?

In the context of a subscription to Eutelsat's services either as part of the supply of the Services or within the context of visiting the Website, we collect Personal Data about you, provided directly by you, or automatically and indirectly from our suppliers in order to provide you with these Services.

Eutelsat principally processes the following Personal Data, the purpose of which is presented to you in Article 3:

- Data relating to your identity such as your first name(s), last name(s), date and place of birth;
- Data relating to your contact details such as your postal address, email address, and telephone numbers;
- Bank and financial details, such as your payment methods, bank account number, invoicing and payment history;
- Identification and authentication data such as your IP address, login details...;
- Information relating to the Services subscribed and used: characteristics and identification of equipment for reception of the Service, consumption reports, after-sales and helpdesk requests;
- Data from recordings of telephone calls made to the phone numbers indicated on the Website;

- Technical data: data collected using cookies, browsing history, login logs, data relating to the installation of software programmes and apps for the provision of Services;
- Data relating to your use and activity for the Services: user statistics, subscriptions, consumption, type of use;
- Data relating to possible complaints and disputes.

When Personal Data is collected, we will let you know whether it is optional or compulsory. As appropriate, the failure to enter compulsory Personal Data may result mean it is not possible to process your request.

Article 3. Why does Eutelsat collect my Personal Data?

Due to its responsibility for data processing, Eutelsat collects and processes your Personal Data for clearly defined and legitimate purposes.
