Updated: 01/05/2021

The konnect Packages	konnect Easy	konnect Zen	konnect Max
Package Description	The konnect Satellite Internet Packages allow access to fixed satellite internet services via the EUTELSAT satellites network. This Service is provided exclusively to your installation address.		
Eligibility conditions	The availability of the konnect Satellite Internet Packages in the United Kingdom and Northern Ireland is subject to coverage verification. The subscription to konnect satellite internet is reserved for private customers over the age of 18. These Packages are for home use only.		
Conditions of access to the Service	To benefit from one of the konnect Satellite Internet Packages, it is essential to be provided with, to install and to activate a satellite kit compatible with the EUTELSAT satellites. This kit (called the " Konnect Equipment ") is made available by Eutelsat S.A. in the context of a subscription to one of the konnect Satellite Internet Packages. Regarding the accessibility of the Service, it is also necessary to take into account: <ul style="list-style-type: none"> - Possible geographic obstacles to the reception of the EUTELSAT satellites network, - Possible legal obstacles to the installation of the equipment necessary to receive the EUTELSAT satellites network.
