

Precontractual information

Eligibility: package reserved for home use on condition of availability in the region selected. **Price:** prices include all taxes. **Activation fee:** the Activation fee of €49 Inc. VAT is invoiced following your first order. **Payment:** the Activation fee is payable at the time of the subscription; the recurring fees are payable monthly. **Standard installation fee:** standard installation of the Konnect Equipment, amounting to 289€ Inc. VAT and of which €230 are borne by Eutelsat S.A. and €59 Inc. VAT remains at Your expense. **Additional fees:** potential additional fees (non-standard installation, termination fee, non-return equipment fee...) are listed in the "[konnect Tariffs and Fees Guide](#)". **Konnect Equipment:** the Konnect Equipment is essential for the use of our satellite internet services and is provided by Eutelsat S.A.. **Delivery:** Konnect Equipment will be delivered within ten (10) working days following the receipt by Eutelsat S.A. of the payment of Your Activation fee, of Your Contract signed and of a valid means of payment of Your monthly fee. **Installation:** standard installation of the Konnect Equipment and activation of the services are performed by a professional approved by Eutelsat S.A. within twenty (20) working days following the receipt by Eutelsat S.A. of the payment of Your Activation fee, of Your Contract signed and of a valid means of payment of Your monthly fee. Standard installation depends on the location of the installation and its complexity, but it does not depend on the number of hours required to complete the installation. Standard installation depends, in particular, on the possible locations for the antenna (lateral walls that are easily accessible with a class-1 ladder (up to 130Kg load), a roof accessible from the building's stairs or with a class-1 ladder (up to 130Kg load) with mounting fixed to the interior wall, wall or parapet, roof surface or ground; ground-floor with concrete base with good satellite visibility, the distance of cable routing - 30m with a standard Konnect Equipment cable. The routing of the cable must be satisfactory and achievable). Any non-standard installation is liable to incur additional fees at your cost, which will be specified by the installers and subject to your prior approval (to find out more about the types of non-standard installation and the associated fees, consult the "[Contractual Conditions](#)" and "[konnect Tariffs and Fees Guide](#)"). Standard and non-standard installation fees constitute services independent of the Satellite internet access services to be paid upon completion of the installation and will not be reimbursed in the case of termination or withdrawal. **Right of withdrawal:** as a consumer, in case of distance contract, You benefit from a withdrawal period that must be exercised (for example by fulfilling and sending Us this [form](#)) no later than fourteen (14) calendar days after the Activation of the Service included in Your Package. In case of withdrawal, your Activation fee will be reimbursed (but not the standard and potential non-standard installation fee). **Duration:** initial commitment period of 11 months plus the *pro-rata* of the month during which your service is activated (at the same time your Konnect Equipment is installed). **Data speed:** speeds are expressed in Megabits per second. The speeds (data speeds) advertised are average speeds available within your priority data allowance. They may vary and are not guaranteed (for more information on data speed, consult the [Standard Information Sheet](#)). **Priority data:** with the konnect Easy, konnect Zen, konnect Max 120, konnect Max 200 and konnect Max 350 packages, once you reach 20Gb, 60Gb, 120Gb, 200Gb and 350Gb of data consumption respectively, your data consumption may be reduced in favour of other users on the network during peak times, and your download speed may be affected.

Precontractual information

Your consumption is not counted at night (01:00 to 06:00 in the morning - local time). **Latency:** latency is between 600 and 700 milliseconds. **Video:** The quality of continuous video streaming is indicated "up to" which means that there is a maximum quality that the Household or family can achieve for one video stream with the konnect Package (depending on the Package purchased). It may vary and it is not guaranteed. **Online gaming and websites requiring a fast response time:** You are informed that the characteristics of satellite internet connection are not suitable for this type of use. **Termination:** If You wish to end your subscription with Us, You must give 30-day prior notice. If You are within Your minimum commitment period, You may be liable for early termination fees. The amount of the early termination fee is calculated by charging You the amount equivalent to Our cheapest package existing at the time of Your subscription and applying that monthly amount to the number of remaining months between the end of the 30-day notice period and the end of Your minimum commitment period. **After-sales assistance:** please refer to the [Standardized Information Sheet](#). **Dispute resolution:** We will always do Our best to find an amicable solution to potential disputes before to going to a court, in particular through a mediation process (in particular via the European dispute resolution platform: <https://ec.europa.eu/consumers/odr/main/index.cfm?event=main.home.chooseLanguage> but you are free to choose). For more information on the contractual conditions for the konnect packages (in particular regarding security or integrity incidents management, maintenance and services, or commercial guarantees), consult the [Contractual Conditions](#).
