

(1) **Supplier:** Europasat Ibérica S.L.U. Sociedad limitada Española, belonging to the Eutelsat Group, with registered office at C/ Estrasburgo nº 5, bajo, 28232, Las Rozas de Madrid, Spain, registered in the Registro Mercantil de Madrid on page M-663311 and with NIF B88029707 (which markets Konnect products and services, referred to herein as "**Eutelsat**"). **Eligibility:** Package reserved for home use on condition of availability in the region selected. **Price:** prices include all taxes. **Activation fee:** the Activation fee of €49 Inc. VAT is invoiced following your first order. **Payment:** the Activation fee is payable at the time of the subscription; the recurring fees are payable monthly. **Additional fees:** potential additional fees (non-standard installation, termination fee, non-return equipment fee...) are listed in the "[konnect Tariffs and Fees Guide](#)". **Konnect Equipment:** the Konnect Equipment is essential for the use of our satellite internet services and is provided by Eutelsat. **Delivery:** Konnect Equipment will be delivered within ten (10) working days following the receipt by Eutelsat of the payment of Your Activation fee, of Your Contract signed and of a valid means of payment of Your monthly fee. **Installation:** standard installation of the Konnect Equipment and activation of the services are performed by a professional approved by Eutelsat within twenty (20) working days following the receipt by Eutelsat of the payment of Your Activation fee, of Your Contract signed and of a valid means of payment of Your monthly fee, at Eutelsat's costs for your first subscription. Standard installation depends on the location of the installation and its complexity, but it does not depend on the number of hours required to complete the installation. Standard installation depends, in particular, on the possible locations for the antenna (lateral walls that are easily accessible with a class-1 ladder (up to 130Kg load), a roof accessible from the building's stairs or with a class-1 ladder (up to 130Kg load) with mounting fixed to the interior wall, wall or parapet, roof surface or ground; ground-floor with concrete base with good satellite visibility, the distance of cable routing - 30m with a standard Konnect Equipment cable. The routing of the cable must be satisfactory and achievable). Any non-standard installation is liable to incur additional fees at your cost, which will be specified by the installers and subject to your prior approval (to find out more about the types of non-standard installation and the associated fees, consult the "[Contractual Conditions](#)" and "[konnect Tariffs and Fees Guide](#)"). Non-standard installation fees constitute services independent of the Satellite internet access services to be paid upon completion of the installation and will not be reimbursed in the case of termination or withdrawal. **Right of withdrawal:** as a consumer, in case of distance contract, You benefit from a withdrawal period that must be exercised (for example by fulfilling and sending Us this [form](#)) no later than fourteen (14) calendar days after the Activation of the Service included in Your Package. In case of withdrawal, your Activation fee will be reimbursed (but not the potential non-standard installation fee). **Duration:** initial commitment period of 11 months plus the *pro-rata* of the month during which your service is activated (at the same time your Konnect Equipment is installed). **Data speed:** Speeds are expressed in Megabits per second. The download speed advertised is a maximum available within your priority data allowance which may vary according to your use, your location within a geographic area, and is not guaranteed (for more information on data speed, consult the Standard Information Sheet). **Priority data:** with the konnect Easy, konnect Zen and konnect Max packages, once you reach 20Gb, 60Gb and 120Gb of data consumption respectively, your data consumption may be reduced in favour of other users on the network during peak times, and your download speed may be affected. Your consumption is not counted at night (01:00 to 06:00 in the morning - local time). **Latency:** latency is between 600 and 700 milliseconds. **Video:** The quality of continuous video streaming is indicated "up to" which means that there is a maximum quality that the Household
