

Konnect Satellite Internet by Eutelsat S.A.

Contract summary

- This contract summary provides the main elements of this service offer as required by EU law¹.
- It helps to make a comparison between service offers.
- Complete information about the service is provided in other documents.

1) Services and equipment

Services: Satellite Internet.

Equipment: You will be provided with Konnect Equipment for the duration of Your Package which requires a partially exterior installation. It consists of: (i) a satellite dish (74 or 90cm), (ii) an aerial with receiver head (1W), mounting, coaxial cable (30m), (iii) a HT2000W modem (with Wi-Fi router), (iv) power supply and (v) Ethernet cable. Accessibility could be affected by legal or geographical obstacles.

2) Speeds of the internet service and remedies

<i>Speeds available within your priority data allowance, as defined in the Standard Information Sheet.</i>	Konnect Easy 20GB Priority data	Konnect Zen 60GB Priority data	Konnect Max 120 120GB Priority data	Konnect Max 200 200GB Priority data	Konnect Max 350 350GB Priority data
Maximum download and upload speeds*	30 Mbps 5 Mbps	50 Mbps 5 Mbps	100 Mbps 5 Mbps		
Average download and upload speeds*	22 Mbps 3.5 Mbps	37 Mbps 3.5 Mbps	75 Mbps 3.5 Mbps		
Minimum download and upload speeds*	15 Mbps 0.5 Mbps	25 Mbps 0.5 Mbps	50 Mbps 0.5 Mbps		

**Speeds are theoretical and depend on various factors: Your use, Your location, a compliant installation, the absence of obstacles, etc. In case of high network congestion, services with high broadband requirements (e.g. video streaming) may only be available to a limited extent; the download time may also be extended.*

Remedies: In the event of continuous or regularly recurring discrepancy between the actual speed and the performance indicated above, you may be entitled to remedies up to and including the right to terminate the contract without penalty where the relevant facts in relation to the actual performance of the Services are established by the regulator (ComReg).
